Teamwork in the Evangelism Process

1 Corinthians 3:6-7

I planted the seed in your hearts, and Apollos watered it, but it was God who made it grow. 7 It's not important who does the planting, or who does the watering. What's important is that God makes the seed grow.

All the links are important

You might be the first link of the chain, or somewhere in the middle, or you may experience the thrill of seeing someone be baptised. But ALL the links are important.

Teamwork is crucial

We must work as a team since all of us have different giftings in the evangelism process. Some are good at bringing

Different Teaching Tools

Different audiences need different approaches

Paul had a different style when he presented the gospel at Mars Hill (Acts 17) compared to Acts 13, where Paul preached in the synagogue at Antioch. He related to the different belief systems that his different audiences had.

Acts 17: 22- 23

So Paul stood in the midst of the [a]Areopagus and said, "Men of Athens, I see that you are very religious in all respects. For while I was passing through and examining the objects of your worship, I also found an altar with this inscription, 'TO AN UNKNOWN GOD.' Therefore, what you worship in ignorance, this I proclaim to you.

Hope Project

Hope Project is a useful video tool to help people with very little understanding of Christianity to be presented with the central truths of Christianity.

The HOPE video begins with these words...
“Throughout time people have considered the world in which we live; the complexity and beauty of nature, the mystery of life and death, the depth of human joy and pain ...and they have wondered, ‘How did it all come to be? Is this world the result of chance...or design? Is there something, or someone, behind it all? And if there is such a being, then what is He like? Does He have a purpose for this world? Does He have a purpose for me in this world? Does He have a purpose for me beyond this world?’”

God has a Plan for You

This bible study discusses the intimate relationship that God desires with each individual person. It explains that while humans may perceive God as distant, God sees each person as uniquely created and values each soul. It also explains how sin separated humanity from God but that Jesus's sacrifice allows people to open the door to a deeper relationship with God through faith in Him. The document encourages readers to reflect on their own relationship with God and whether they want it to deepen.
